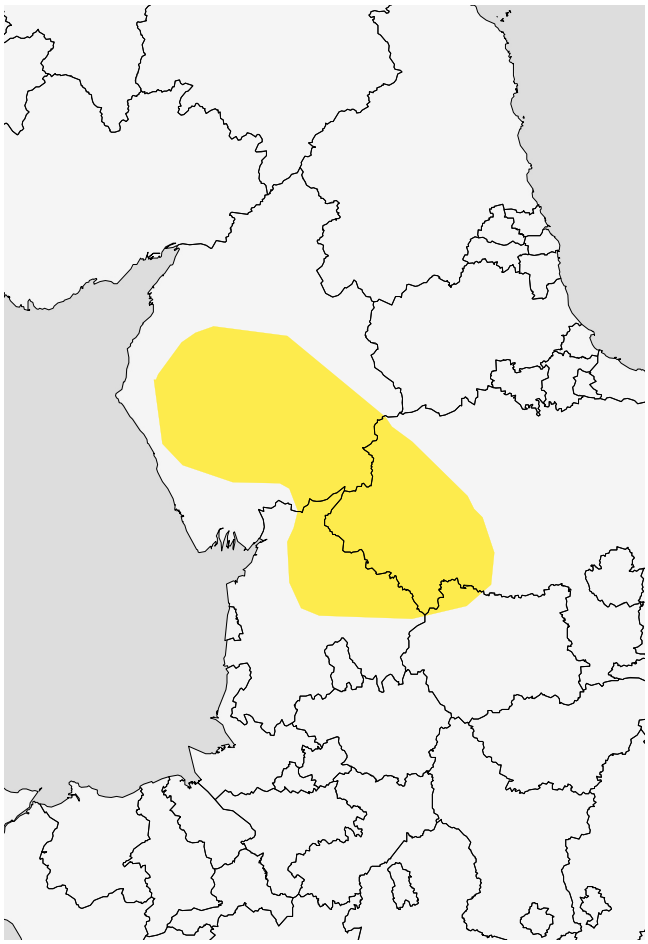
Yellow warning
Rain

Between
00:15 Thu 14 Mar 2019 and
10:00 Fri 15 Mar 2019



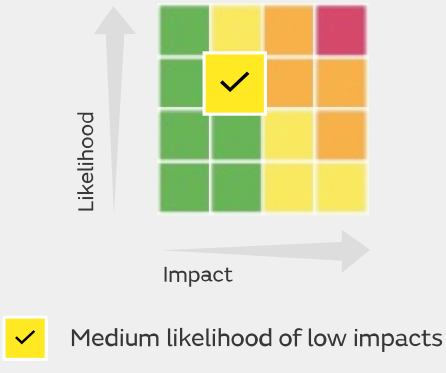
Two spells of heavy rain on Thursday and Friday will bring some travel disruption, especially to the higher regions of NW England.

What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Two periods of heavy rain will affect Northwest England on Thursday and Friday. This will bring 60-80 mm as a total for both of these events, and there could be as much as 100 mm on high ground. Added to amounts that have already fallen in this rather wet and unsettled spell, these totals could cause some disruption to transport and localised flooding in this region.



Medium likelihood of low impacts
